

**Minnesota Music Educators Association  
Demonstration Session Application  
MMEA Midwinter Clinic, February 13-15, 2020**

A Demonstration Session is intended to demonstrate a teaching technique. **A Demonstration Session MUST include at least equal parts of discussion/presentation and performance.** While a student ensemble participate so the clinician can demonstrate the method and results, the performance is not the focus of the session.

**Procedures for application and selection of Demonstration Sessions.**

1. Attach written information that includes a) specific concepts, skills, and/or teaching strategies which you will demonstrate during this session, and b) how your performing group will participate.
2. Submit this application, an electronic audio recording of the ensemble. Selection(s) must support the concepts, skills and/or teaching strategies you plan to share. Send electronically via DropBox (contact [info@mmea.org](mailto:info@mmea.org)) or mail a CD.
3. Only current MMEA/NAfME members are eligible to submit applications.
4. The Clinic Chair will examine materials and recordings. Quality of teaching materials and contribution to the content of the clinic will be the primary factors in selection. Ability of performing group to support the session may also be considered.
5. **Applications must be received no later than June 1, 2019.** Mail submission materials to address listed at the bottom of this form or email scans to [info@mmea.org](mailto:info@mmea.org).
6. Invitations to appear on the MMEA Midwinter Clinic program will be issued late July 2019.
7. In addition to the materials listed above, the following information must accompany each application:
