April 2018

Dear All-State Alternate,

Congratulations on being selected as an alternate for the MMEA All-State performing groups. Your selection as an alternate indicates a high degree of musicianship on your part. Both you and your teacher can be very proud.

You may be contacted via your sponsoring teacher if a student who is in All-State cannot participate. You do not complete any registration materials at this time.

If you are contacted at a later date, keep in mind there are two commitments:

- Summer Camp August 6-11, 2018
- MMEA Midwinter Clinic February 15-16, 2019 (Jazz alternates Feb 14-15)

Preparing for an audition like this is hard work! I hope you have gained from preparing for this audition, and your school music program has gained from your hard work. Thank you again for your interest in All-State.

Sincerely,

Daniel J. Hampton
Minnesota Music Educators Association President
